Total	18	19	20	26	25	20	22	19	30		199

## A NEW HIGH SCHOOL BUILDING

I do not recommend that the town vote to build a New High School building at this meeting. I do urge that a committee be appointed at this meeting, to work with the School Committee, to make a survey of the building situation and report at a future meeting.

I would like to call your attention to the fact that if new toilets and drinking fountains are provided at the village, there will still remain the lack of room, poor heating, lighting and ventilating conditions as well as no play ground.

A new building would require few repairs for a number of years and over a period of years might prove economical.

## REPAIRS

A fire alarm system was installed at the high school building and a new ceiling at Sunshine in addition to the usual repairs this past year.

The Beech Hill building should be shingled this coming summer as the roof is in bad condition. Minor repairs are necessary on nearly all buildings.

## SANITARY CONDITIONS AT THE VILLAGE

In answer to a petition, an article has been inserted in the warrant, to see if better toilet facilities and drinking water can be provided at the village schools.

Mr Elmer Eaton has made a survey and will have an estimate of the cost for town meeting.

It is proposed to divide the wood room on the first floor of the Masonic Building and remove the present toilets to provide an entrance. The water for drinking fountains and toilets to be piped from the spring used now by the school.

A small basement under the toilets would be necessary for an electric pump and heater.

The estimate will include three flush toilets in place of the two chemical toilets now in use for the girls. Two flush toilets and a three stall urinal in place of the one chemical toilet, and one wall type urinal, now in use for the boys. Also a drinking fountain for each building.

## MUSIC

Mr Mainente resigned soon after the beginning of school as instructor of the band. Mr Michael Masailo was engaged to fill the vacancy at the beginning of the winter term. It is the practice in many towns to combine in hiring a music instructor. It is felt that one man can do the work and the expense will be less for each town.

It has been arranged for Mr. Masailo to work half of each week in Deer Isle and the remainder of the week at Stonington. This plan will be tried for the remainder of the school year.

Mr. Masailo will teach and direct the band and direct a chorus in high school. He will also teach and supervise music in the grades.

## PRINCIPAL'S REPORT

To the Superintendent of Schools:

I submit at this time my annual report as Principal of McKinley High School.

School opened September ninth with 74 students registered as follows:

	Boys	Girls	Total
Post-graduates	1	2	3
Seniors	8	8	16
Juniors	7	11	18
Sophomores	9	10	19
Freshmen	8	10	18
	<hr/> 33	<hr/> 41	<hr/> 74

Of these, seven have left school—three post graduates, three Juniors, one Freshman. Total enrollment is now 67 as compared to 78 last year.

With two well balanced courses of study school work is progressing satisfactorily. We are offering pre-vocational training, vocational training and guidance, preparation for future study in colleges and vocational schools.

Michael Masailo has taken the place of Anton Mainente as music instructor. That is the only change in the teaching staff.

This year I set aside one week as "Vocation Week," at which time future occupations became the center of attention of the students. All library books pertaining to the subject of vocations were given special attention, many bulletins were made available and others were written for by students, talks were given urging pupils to consider seriously their future and their future work, and finally questionnaires were filed with the principal giving among other things two occupations that each student wished to prepare for or learn more about.

The general objectives of this vocational guidance program are:

- A. To provide occupational information.
- B. To assist all pupils to better adjust themselves to school and life.
- C. To assist and encourage pupils in their future plans concerning education or employment.

D. To assist pupils in their selections of study subjects.

Cumulative records will be compiled from year to year, it is hoped; conferences will be held from time to time with pupils for the purpose of extending individual vocational and educational plans; follow-up records will be gathered of graduates; contacts with various institutions, organizations, and companies who might employ our graduates will be made for the purpose of determining what is desired of the students; the cooperation and assistance of the state department of Vocational Guidance will frequently be sought.

With this program in mind, I attended special conferences devoted to vocational guidance planning at both county and state teachers' conventions and have made special study of vocational guidance at two summer sessions. In a community with no major industries, I am convinced that a program of the kind outlined can be of service; but the greatest service of all can perhaps be rendered by graduates and friends of the school who are already connected with various occupations who will let their love of school and town become active to the extent of determining what we have to offer in the way of future workers and will give our students a helping hand whenever there is an opportunity to do so. They are urged to send the school suggestions, job possibilities, training opportunities, any helpful hints as to how they may better prepare for their future.

Vocational training is not the sole purpose of the school. In-as-much as the moral, ethical, religious, and social standards of the community are reflected by our young people, the school must join with home and church in trying to make for the best personality and character development. McKinley High is striving to promote worthwhile ideals and right attitudes toward life, community and country.

The amount of worthwhile activity that our young people are engaged in in the different sections of our town, in church and Sunday school, groups, in clubs and organizations, is promising of a fine coming generation of citizens; and the record of not one juvenile court case in several years is one for the town to be justly proud of. It is my sincere belief that the increased number of activities for our young people being promoted today is bringing fine results. The active child is the child out of trouble. The faulty methods of regimentation, dominating, spying, punishing are falling away before the more truly democratic ways of eliciting from our young people cooperation, leadership and followership, worthwhile activity aimed at community development, and self-control.

The history of the school for the past year shows the school band winning a "Superior" rating at the State music festival, which is the

highest rating possible. The school sent a representative into the state famous Spear Contest, and the pupil went as high as the semi-finals, being one of the winners from Hancock County high schools. Athletics progressed, with more pupils participating this year. A new school paper, published twice a month and handled entirely by students is attracting much attention and is giving good practical experience in several lines. Attendance for this year was excellent until the recent epidemic kept many out of school.

I take this opportunity to express appreciation for your cooperation and assistance during the year, and through you I wish to thank the School Committee, parents, citizens and students, for generous assistance and support.

Respectfully submitted,

Carl W. Pickering, Principal

## HANCOCK COUNTY HEALTH SERVICE TOWN OF DEER ISLE, YEAR 1941

To the Citizens of the Town of Deer Isle:

Following is a brief report of services rendered, February 1, 1940 to February 1, 1941.

The Deer Isle high and grammar schools were visited in April and teachers told of the Early Diagnosis Campaign. Pamphlets and posters were distributed through the schools and town. Visited the Library and left pamphlets also posters for public places. Bottle caps were available to milk dealers to bring the message of preventing tuberculosis into every home.

There has been no tuberculosis testing in Deer Isle this year, but a check-up was given all cases reported by the State Department.

Conveyed Carlotta Eaton to Hurley Hospital for removal of tonsils and adenoids, returning her to her home. Dr Brown suggested Geraldine Haskell attend the Crippled Children's clinic. Reference sheet filled out and mailed.

Met a patient and mother at the Toll Bridge, Sargentville, conveyed them to Crippled Children's Clinic at the Eastern Maine General Hospital, Bangor, later returning them to toll bridge.

Roderick Eaton, age 8, and Elmer Shepard, age 10, transferred to Hurley hospital for removal of tonsils and adenoids, and returned. Cooperated with Sea Coast Mission.

A tuberculosis check-up was made of a family whose mother died of the disease some years ago.

In the Primary school 11 children qualified for Seven Point pin and certificate and 50 per cent dental certificate. Three children in Stetson School qualified for the award, and four in the Sunset school.

The health service given the town this year is financed through the Christmas Health Seal sale. More service could be given if the town raised money by appropriation.

Winifred L. Dunphy, R. N.  
Public Health Nurse

\$2,000.00 has been added to the estimate for conveyance in order to exchange one of the busses this year.

An estimate will be made at town meeting to provide sanitary conveniences and water for drinking purposes at the high and grammar schools.

Respectfully submitted,

John A. Dunton

Superintendent of Schools.

## AUDITOR'S REPORT

Board of Selectmen, Deer Isle, Maine.

Gentlemen:

In accordance with chapter 16 of the Public Laws of 1937 I hereby certify that I have audited the accounts of the Selectmen, Treasurer, and Tax Collector for the municipal year 1940 and to the best of my knowledge and belief their accounts are correct.

There are several recommendations and suggestions I wish to make, namely:

1. That more complete descriptions be made in the Assessors' book. To aid in this work I would suggest that the new form of Valuation and Tax Record Book with printed headings for items of Personal Property and Real Estate Boundaries be used.

2. That the town officials comply with Chapter 5 section 63 of the Revised Statutes which state that the names of all delinquent tax payers and the amount due from each be published in the annual report.

3. That the Tax Collector make monthly settlements with the Treasurer and at least once in two months render to the municipal officers an account of all money received on taxes as provided for by Chapter 14 section 35 of the Revised Statutes.

4. That the Town make an appropriation for a Reserve for Uncollected Taxes, or if through the sale of tax title property an excess, over the cost as shown on the town records, is received, that this excess be credited to Reserve for Uncollected Taxes.

5. That an appropriation be made for the Support of Poor, and that the appropriation for Snow Removal be increased, as the snow account has been overdrawn at follows:

1938	\$1,320.11
1939	736.17
1940	1,813.48

I would also recommend that the Administration or Current Expense account appropriation be reduced as this account has shown an unexpended balance as follows:

1938	\$2,931.38
1939	3,328.57
1940	2,797.14

Under the State System of Uniform Accounts transfers are not made from one account to another.

If the Tar accounts for town roads and also miscellaneous road accounts could be combined into a general tar account and a miscellaneous road account it would facilitate the bookkeeping, and reduce the time required to conduct the audit. Should these accounts be combined they could be shown separately in the town report if desired.

Submitted herewith is a Comparative Financial Statement, Summary of Accounts, and Analysis of Net Town Debtor Surplus account.

A detailed Report of Audit will be sent you shortly.

Respectfully submitted,  
A. T. Sawyer,  
Auditor

Milbridge, Maine  
February 17, 1941

## COMPARATIVE FINANCIAL STATEMENT

**WARRANT**  
**STATE OF MAINE**

To Winslow C. Haskell, a Constable of the Town of Deer  
Isle in the County of Hancock,

**GREETINGS:**

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Deer Isle in said County, qualified by law to vote in town affairs, to meet at the Deer Isle Town Hall, in said town, on Monday, the third day of March, A. D. 1941, at nine o'clock in the forenoon, then and there to act on the following articles, namely:

- Article 1 To choose a Moderator to preside at said meeting.
- Article 2 To choose a Clerk for the ensuing year.
- Article 3 To see if the town will vote to accept the Selectmen's report.
- Article 4 To choose Selectmen for the ensuing year and vote their compensation.
- Article 5 To choose Overseers of the Poor for the ensuing year.
- Article 6 To choose Assessors of Taxes for the ensuing year.
- Article 7 To choose a Treasurer and vote his compensation.
- Article 8 To see if the town will vote to combine the offices of treasurer and collector, and have the treasurer collect the taxes.
- Article 9 To choose a Collector or Collectors of taxes and vote his compensation.
- Article 10 To choose a Road Commissioner or Commissioners.

- Article 11 To choose one or more members of the superintending School Committee.
- Article 12 To see what sum of money the town will vote to raise and appropriate for current expenses for the ensuing year.
- Article 13 To see what sum of money the town will vote to raise and appropriate for the support of town poor for the ensuing year.
- Article 14 To see what action the town will take in regard to a new school building, also to see if the town will appoint a building committee to work with the school committee to study the school building situation and report to some future town meeting, but not later than the next annual meeting.
- Article 15 To see if the town will vote to maintain the following schools: North Deer Isle and Mountainville.
- Article 16 To see what sum of money the town will vote to raise and appropriate for elementary and secondary schools, including teachers' wages and board, fuel, janitors' services, conveyance, tuition, board of pupils, textbooks, reference books, and school supplies for desk or laboratory use.
- Article 17 To see if the town will vote to raise and appropriate \$200 to shingle Beech Hill schoolhouse.
- Article 18 To see what sum of money the town will vote to raise and appropriate to provide sanitary conveniences and water for drinking purposes in the high and grammar school buildings or easily accessible to them.
- Article 19 To see what sum of money the town will vote to raise and appropriate for repairs on school building.
- Article 20 To see what sum of money the town will vote to raise and appropriate toward the salary of the superintendent of schools.

- Article 21 To see what sum of money the town will vote to raise and appropriate for insurance on school buildings.
- Article 22 To see if the town will vote to authorize the Superintending School Committee, if they consider it advisable, to maintain school where the average number of pupils falls below eight.
- Article 23 To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.
- Article 24 To see if the town will vote to raise and appropriate the sum of not less than \$901.00 for the maintenance of Third Class highway or to be used in conjunction with the State apportionment for the construction of Third Class roads.
- Article 25 To see what sum the town will vote to raise and appropriate for highways and bridges.
- Article 26 To see what sum the town will vote to raise and appropriate for gravel.
- Article 27 To see what sum the town will vote to raise and appropriate for railing bridges.
- Article 28 To see what sum the town will vote to raise and appropriate for cutting bushes on State Aid and Third Class Roads.
- Article 29 To see if the town will vote to raise a sum of money and appropriate the same for cutting bushes on town roads.
- Article 30 To see if the town will vote to raise and appropriate the sum of \$500.00 for the patrol of State Aid Highway, said sum including the 50-50 proposition.
- Article 31 To see what sum of money the town will vote to raise and appropriate for the purpose of tar on the Third Class Roads for the year 1941.

**Article 32** To see if the town will vote to raise and appropriate \$1350.00 to surface treatment of tar on the following roads: Pressey Village, King Row, Dowe Road, and Greenlaw District.

**Article 33** To see if the town will vote to raise and appropriate the sum of \$450 00 to tar the road that was resurfaced last year from the monument to the late Wallace Eaton's house.

**Article 34** To see if the town will vote to raise and appropriate the sum of \$1,000 to be expended for tar on the highway leading from "Abbie Pressey's Hill" so-called to Dunham's Point Beginning at said Abbie Pressey's Hill and running toward Dunham's Point so far as said appropriation will permit, or take any other action hereunder.

**Article 35** To see if the town will vote to raise a sufficient sum of money to tar the road from Prescott Eaton's store to Walter Scott's corner.

**Article 36** To see if the town will vote to raise and appropriate the sum of \$200 to be expended on the town road leading from the State Aid Highway to the home of Grace Riblet.

**Article 37** To see if the town will vote to raise and appropriate the sum of \$100 to be expended on the road at Mountainville, leading from the Third Class Road to Nellie B. Dyer's private road.

**Article 38** To see if the town will vote to raise and appropriate sufficient money to pay for double doors in the Shakespeare School House for the purpose of storing town equipment.

**Article 39** To see if the town will vote to raise and appropriate the sum of \$25.00 to be expended in the Old Cemetery.

**Article 40** To see if the town will vote to raise and appropriate the sum of \$50.00 toward the salary of the librarian the Chase Emerson Library.

Article 41 To see if the town will vote to raise the sum of \$50.00 to be paid to Maynard L. Sewall for release of land, taken from him when the Selectmen laid out a town road in Blastow's Cove, November, 1939 and was accepted by the town, March Town Meeting, 1940.

Article 42 To see if the town will vote to raise and appropriate the sum of \$150 to be laid out on the Blastow's Cove road which was accepted as a town road March Town Meeting, 1940.

Article 43 To see if the town will vote to raise and appropriate a sum of money to provide for the services of a County Health Nurse or take any action thereon.
